Training for Life

This is to certify that

XXXXXXXXXX

Demonstrated competence in

Basic Life Support

as required under the Health & Safety (first Aid) Regulations 1981

Valid for 3 years from:

Aims:

To provide basic life support for adults within the workplace

Objectives:

- Provide first aid for an adult casualty who is unresponsive and breathing normally
- Provide first aid for an adult casualty who is unresponsive and not breathing normally
- Understand how to use an Automated External Defibrillator (AED)
- Provide first aid for an adult casualty who is choking

Learning content:

This training course is intended to create an understanding of how to provide first aid for a breathing and non-breathing casualty whilst awaiting the arrival of the emergency services. In line with the UK resuscitation council guidelines 2015.

Development outcomes:

The CPD course meets the criteria for the GDC development outcomes C

We confirm that the information provided on this certificate is full and accurate
